The Property

Beautifully designed apartment in a pastel-painted townhouse in the heart of Notting Hill

Entering the flat on the raised ground floor, the front hall leads through to a well-proportioned reception room. This includes space for separate dining and seating areas, as well as an open-plan kitchen with marble worktops. Wooden floors, high ceilings and a full-length bay window add to the sense of brightness and space.

The flat also contains a bedroom with wardrobe space and a bathroom with a bath. There is additional storage in the hallway.

This newly renovated property is decorated in a graceful style, with moulded cornices and a fireplace surround adding to the sense of elegance. A muted colour scheme creates a calm atmosphere, while underfloor heating brings comfort and convenience.
