The Property

Superbly designed and decorated property with west-facing garden near the gastronomic hub of Chelsea Green

Entering the house on the ground floor, the front door opens directly onto a well-proportioned reception room. As well as separate dining and seating areas, this room includes access onto a rear balcony. A spectacular open-tread staircase drops to the level below.

The lower ground floor is entirely occupied by an open-plan kitchen. This includes a central island, a spacious dining area, a guest WC and a utility room. Floor to ceiling windows flood the space with light, while a large doorway opens out onto the garden.

The basement floor features a bedroom with an ensuite bathroom and a family television room. Both these rooms have doors opening onto patio lightwells, making for an exceptionally bright lower level.

The first floor features a pair of bedrooms, both of them ensuite. Meanwhile, the second floor is entirely occupied by a principal bedroom suite, including a bathroom, a dressing room and a balcony.

The house is decorated in a sophisticated contemporary style and presented in immaculate condition. The thoughtful layout and laid-back colour scheme emphasise the sense of light and space throughout.

The property is available on 1/8th ownership, resulting in 45 days of use per annum. A secure locker allows residents to leave items behind in between stays, while flexible reservations are available via the owners' app, with an option to swap homes with fellow co-owners around the world. Qualifying buyers can secure up to 70% finance for their purchase.

A monthly fee covers the building services charge, insurance, utilities, and cleaning costs. The home manager provides services before, during and after each stay.

Outdoor Spaces & The Neighbourhood

The house includes a paved rear garden with plenty of space for outdoor entertaining. It also has a west-facing balcony.

St Luke's Street is a quiet road in the heart of Chelsea. From here, the restaurants and shops of the King's Road are close, along with Sloane Square underground station. In addition, Chelsea Green is a short walk away, with its wide range of artisanal food shops, while the green spaces and playgrounds of St Luke's Gardens are also nearby.
